SUBJECT No. 326.

The *Mysore Gazette.*

Mr. Gurulingappa, Honnali taluk.

Summary of discussion.—(1) Some of the Government Orders and Notifications and matters of other useful information included in the English issue of the *Mysore Gazette* are not published in the Kannada issue of the same week, but are published only in that of the following week, and sometimes are not at all published in the latter. As the majority of the reading public in this country do not know English, it is prayed that arrangements may be made to make the Kannada issue of the Gazette of every week as informing as the English one.

(2) Important Government Orders are now published in the Kannada part only of the Gazette. Persons getting only the English part are not in a position to acquaint themselves with the standing orders of Government. It is prayed that such orders may be caused to be published in the English part of the Gazette also.

Reply of Government.—This is being done as far as possible.

SUBJECT No. 327.

(*a*) Supply of the English copy of the Gazette to patels and shanbhogs at half cost.

(*a*) Messrs. Ramiah and Dowlat Hanumiah Setty, Malvalli taluk.

(*b*) Supply of the Gazette at half cost to the members of the District, Taluk and Municipal Boards.

(*b*) Mr. Gurulingappa, Honnali taluk.

Summary of discussion.—(*a*) Issues of the Kannada Gazette are being supplied to shanbhogs and patels at half cost. Some of the patels and shanbhogs who know English wish to have the English copies as they contain more information than the Kannada edition. It is therefore prayed that such of the patels and shanbhogs as wish to have the issues of the English Gazette be supplied with them at half cost.

(*b*) The concession now shown to patels and shanbhogs and the members of the Representative Assembly may be extended to the members of the District, Taluk and Municipal Boards.

Reply of Government.—(*a*) This has been done.

(*b*) Noted.

SUBJECT No. 330.

Admission of Mysoreans to the I. M. S. and I. C. S. Examinations.

Messrs. Krishna Sastri, Yalakkigowda and Somasetti, Krishnarajpete taluk.

Summary of discussion.—Students of our State are not allowed to appear for the I. M. S. and I. C. S. examinations in England. Earnest attempts must be made for getting the sanction of the Imperial Government for admitting these students. Some of the intellectually

and physically qualified students are eagerly expecting such a permission. The subjects of His Highness the Maharaja entertain brotherly feelings towards the British Indian subjects and there is no reason why our students should not be admitted to the said examinations. This question may be taken up for consideration.

Reply of Government—A representation has already been made.

SUBJECT No. 331.

Lectures on Hygiene, Morals, etc,

Mr. M. G. Shamiengar, Sri Yadugiri Sadananda Vardhini Sabha, Melkote.

Summary of discussion.—Schoolmasters who have passed in Hygiene may be made to visit, during vacations, the adjoining villages and lecture to the people of these parts on Hygiene. They should also lecture now and then on devotion to God, on loyalty, and on the advantages of mutual help, whenever there is an opportunity to do so. These may be paid some remuneration for their extra labour from the Muzrai and Health Departments, proportionate to the result of their lectures.

Reply of Government.—Recorded.

SUBJECT No. 332.

Regulations to be translated into Kannada.

Mr. V. Raghavchar, Mysore taluk.

Summary of discussion.—Most of the Regulations passed this year are published only in English. Pray that early translations thereof into Kannada may be made available for the use of the public.

Reply of Government.—This is being done.

SUBJECT No. 333.

Curtailment of holidays.

Mr. V. Raghavachar, Mysore taluk.

Summary of discussion.—The holidays now allowed for the civil courts and other offices are somewhat long and unnecessary. They require some modification, and not only curtailment. For civil courts it is enough if the vacation is given from the beginning of April to the first week of May, included. In May we generally get rains and the hot weather is not felt. So five weeks are enough instead of six weeks for the summer vacation. The one week thus saved may be added on to the Christmas holidays. Again some miscellaneous holidays, such as *Tikacharya-rapunyadivasa*, etc., may be cut out. The work of the Representative Assembly may be commenced on *Sapthami* or *Ashtami*.

Some members opposed the last proposal as tending to serious inconvenience to them.

Mr. C. Sreenivasa Rao.—The existing holidays should not be curtailed.

Mr. M. Venkatakrishniah.—At least three more days are required for the sessions of the Representative Assembly to get through the work satisfactorily. The curtailment of holidays is very necessary, specially in respect to schools.

Reply of Government.—Noted.
